

CALENDAR

19th NAM, North American Catalysis Society

This conference takes place in Philadelphia, USA, May 22 - 27 2005.

Programme includes sessions on Petroleum, Environmental, Chemical, Fuel Cells and Fuel Processing, and Emerging Catalytic Technology. www.19nam.org. There will be a World Gold Council stand on gold catalysis and Dr David Thompson will give a review paper on progress in gold catalysis.

Europacat VII Catalysis

A key to richer and cleaner society
The Seventh European Congress on Catalysis, EuropaCat-VII, 28 Aug -1 Sept 2005, Sofia, Bulgaria.
<http://www.europacat.org>. There are several sessions which cover all the aspects of catalysis.

6th International Workshop on Catalytic Combustion (IWCC6) which will be held at the Hotel Continental on the wonderful Isle of Ischia, Italy, from 11th to 14th September, 2005. The workshop will provide a forum for R&D managers, combustion engineers and catalysis scientists to share the latest information on new developments and business opportunities in the field of catalytic combustion.
iwcc6@iwcc6.unisa.it.

XXXIII. International mineral processing congress 3 – 8 September 2006 (Istanbul, Turkey)
www.impc2006.org

12th International Symposium on Relations between Homogeneous and Heterogeneous Catalysis will be held in Florence (Italy) from 18th to 22nd July 2005. The second circular is now available on-line, on the official symposium web-site (www.ishhc12.it).

5th World Congress on Oxidation Catalysis

Conference is entitled 'Innovations in Oxidation Catalysis Leading to a Sustainable Society', Sapporo, Japan, September 25 – 30 2005. Plenary lecturers include H-J Freund, N Mizuno, L Que, G-J Gruter and PA Jacobs.
www.e-convention.org/5wcoc/

ICOSCAR-2

The 2nd International Conference on Structured Catalysts & Reactors will take place at Delft, Netherlands, 16 – 19 October 2005. www.icoscar2005.com

TOCAT 5

The 5th Tokyo conference on advanced catalytic science and technology, organised by the Catalytic Society of Japan will take place 23 - 28 July 2006 in Tokyo, Japan. www.chemsys.t.u-tokyo.ac.jp/chemsys/labs/domen/TOCAT5/index.html

GOLD 2006

The next international conference on the science, technology and applications of gold will be held in Limerick, Ireland on 3 – 6 September 2006. This conference is announced below (contact World Gold Council, e-mail: industry@gold.org). Details will be available shortly on www.gold2006.org

Note:

The editor will be pleased to learn of other relevant conferences for inclusion in the Calendar, e-mail: editor@goldbulletin.org

STOP PRESS:

GOLD 2006 conference announced

World Gold Council is pleased to announce that **GOLD 2006**, the 2nd international conference on gold science, technology and its applications, will be held at the

University of Limerick, Ireland on 3-6 September 2006

Full details will appear shortly on the conference website, www.gold2006.org

The conference is being organised by the University of Limerick and World Gold Council
